

What Are Love Gifts???

Love Gifts are “messages” published in our newsletter that honor children who have died. We are grateful to parents, grandparents and others whose Love Gifts donations allow us to offer resources such as the annual Candle Lighting Event, the newsletter, books, brochures and pamphlets at no cost to assist bereaved families. These donations also allow us to provide information to professionals and others who impact the lives of the bereaved. The donation amount is your choice, and Love Gifts are tax-deductible.

**Love Gifts, published in each newsletter, honor the memory of your child at a special time of the year. Your financial support allows the Marin Chapter to offer invaluable programs to the bereaved in the community.
They are the Chapter’s only means of support.**

Newsletters are published every other month beginning with January. We do our best to accommodate your Love Gift in or near the month you have requested. Please send information in advance to avoid disappointment.
